### *Spiritual Emphasis Week*

*“A Week of Prayer, Praise, and Proclamation”*

**JANUARY 2-8, 2000**

The Board of Bishops of the African Methodist Episcopal Zion Church has endorsed the annual observance of **Spiritual Emphasis Week**. Each Pastor and Presiding Elder is asked to put forth every effort to make this event one that is meaningfully observed. Spiritual Emphasis Week, observed the first full week of each New Year, is a time for consecration and dedication to the Lord, Jesus Christ. This special event is to begin on the first Sunday in January with the theme being introduced during the Morning Worship Service. Another service, focusing on the first of seven sub-themes, is to be held in the afternoon or evening. The week is to continue with each local church gathering every evening for prayer, praise, and proclamations centered on the sub-themes. The observance is to climax with each Presiding Elder District gathering on Saturday for a special service, which is also to include a season of prayer, a time of praise, and the proclamation of the Word. The theme and sub-themes for the week are as follows:
