Spiritual Emphasis Week offers an opportunity for each local church to begin the year on a high spiritual note. The entire membership should be encouraged to participate as the church gathers Sunday through Friday for prayer, praise, and proclamation of the word. This annual event should climax with the clergy and laity of the Presiding Elder District coming together for a special service on Saturday. The suggested theme and daily sub-themes for Spiritual Emphasis Week 2005 are as follows:

THEME: Reaching Our Full Potential in Christ

SCRIPTURE: Hebrews 5:12 – 9:14
