

# Spiritual Emphasis Week

JANUARY 3-9, 2010

**“A Week of Prayer, Praise, and Proclamation”**

## THE BUREAU OF EVANGELISM

Of

**The African Methodist Episcopal Zion Church, Charlotte, North Carolina**

**Rev. Dr. Otis T. McMillan, Director**

The Board of Bishops of the African Methodist Episcopal Zion Church has endorsed the annual observance of **Spiritual Emphasis Week**. Each Pastor and Presiding Elder is asked to put forth every effort to make this event one that is meaningfully observed. The event offers an opportunity for each local church to begin the year on a high spiritual note. The entire membership should be encouraged to participate as the church gathers Sunday through Saturday for prayer, praise, and proclamation of the word. This annual event should climax with the clergy and laity of the Presiding Elder District coming together for a special service on Saturday. The suggested theme and daily sub-themes for Spiritual Emphasis Week 2010 are as follows:

**Maximizing the Mission by Managing the Ministry: The Christian Walk**

**Key Verse: Ephesians 4:1**

**Biblical Foundation: Ephesians 4 - 6**
