### Exploring the Background

*(2 Timothy 3:1-13)*

In the last days perilous times will come

- Because of the increase in moral decay [People will go from bad to worse] (1-4)
- Because of the increase in godless formalism [People will have a form of godliness but deny its power] (5-9)
  - They will take advantage of weak people
  - They will reject the truth
  - They will rebel against God's leaders
  - They will have corrupt minds
  - Their progress will be halted
  - Their folly will be revealed
- Because of the increase in religious persecution [People who live godly in Christ Jesus will suffer persecution] (10-12)
- Because of the increase in religious imposters [People will be deceiving and being deceived] (13)
